

# FULL COVERT AUDI A4 A6 ANTENNA - 3 FUNCTIONS

Part No. SAAU10630-5-C

## SureAntennas® Covert Antenna Solutions

This covert antenna is an OEM Audi A4, A6 single nut panel mount shark fin antenna, Supplied painted gloss black by Audi, or can be painted to match any vehicle's colour code. Once painted each of our antennas are individually tested to make sure the frequency performance is not affected by the paint finish supplied.

This particular part number retains the standard Audi vehicle functions and has an extra GPS and Tetra output for your chosen radio unit. The antenna has 3x 300mm RG316 low loss cables exiting the antenna.

This antenna can be purchased with many different functions from Tetra to WLAN. Please contact us for more details.
