

SAAU10630-5-B Supply & Modify Covert Audi A3 A4 A8 Shark Fin Antenna – 2 FUNCTIONS

This covert antenna is an authentic OEM Audi shark fin antenna. It is provided pre-painted to match the specific colour code of your vehicle. After painting, each antenna undergoes individual testing to ensure that the frequency performance remains unaffected by the finish.

The antenna features a 300mm RG316 low-loss cable extending from it. You can choose optional RF connectors when placing your order, and a full range of extension cable assemblies is available to meet your installation needs.

This antenna is available with various other functions and frequencies, including WLAN. Please contact us for further information.
