

SAPTT00-03000-BLK Push-To-Talk (PTT) Gooseneck Black Button

The Rugged PTT Gooseneck is a specialised accessory meticulously engineered to elevate the functionality of radio communication equipment in emergency vehicles. Designed for ease of installation, this device offers an ergonomic push-to-talk interface, ensuring reliable and efficient communication for emergency services personnel. Its customisable features, including adjustable cable lengths, a range of connector options, and various colour choices, provide the flexibility needed to accommodate specific operational requirements. This versatile gooseneck stalk is an essential addition for any emergency vehicle, enhancing both usability and communication efficiency.

Technical Specifications

Part No.	SAPTT00-03000-BLK
Switch Operation	Momentary
IP Rating	IP67
Operating Force	5N
Mechanical Life	1,000,000 cycles
Voltage Rating	50V dc / 250V ac
Current Rating	200mA
Dimensions (mm)	L291 x W17 x H25
Cable Length (mm)	3000
Operating Temperature (°C)	-30/ +85°C
Material	Aluminium
Weight (g)	249
Cable Connector	Bare Ends Panel
Mounting Type	Panel Mount

Subject to change.
