

SK010019 Opel Corsa 'Mallard'/'Sandcastle' Fitting Kit

Introducing the **Opel Corsa 'Mallard'/'Sandcastle' Fitting Kit (SK010019)**, designed for versatile installation options tailored to your needs. This **On-Glass AM/FM DAB antenna** can be fitted directly to the glass of a marked vehicle, ensuring **optimal reception**. For a more **discreet installation on unmarked vehicles**, the antenna can be adhered to the inside of the headlining or positioned on the plastic roof spoiler.

After completing the installation, power up the vehicle and check the dashboard status screen for any **'SOS' error messages**. If such an error appears, double-check all connections and reset the vehicle software using the manufacturer's service tools. Should the issue persist, please **contact our technical team** on +44 (0)333 360 9249 for further assistance.

Technical Specifications
