

SAFD10750-F7 Supply & Modify Covert Ford Ranger Antenna – 1 FUNCTION

VSWR*

This **covert** antenna is a genuine **OEM Front Centre Roof Antenna**. Its large base makes it versatile, suitable as a general-purpose antenna and an ideal replacement for various vehicles, offering **multifunctional capabilities**. The whip height can be adjusted depending on the required frequencies, allowing for **customisation**. Designed as a panel mount antenna with a **single nut fitting**, it features a **removable whip** for easy maintenance. This specific model comes with one **300mm RG316 low-loss cable** extending from the antenna. **Optional RF connectors** can be specified when ordering, with a full range of extension cables and multiplexers available to **retain the vehicle's AM/FM functions**. Additional functions and frequencies are available on request.
