

Supply & Modify Covert Mini MK2 Roof Antenna – 1 FUNCTION

This covert antenna is a genuine modified **OEM shark fin** designed for **Mini** vehicles, particularly the MK2 and similar models. It comes pre-painted to **match the vehicle's specific colour code**. After painting, each antenna undergoes **individual testing** to ensure the paint finish does not interfere with frequency performance. The antenna features a single **300mm RG316 low-loss cable** and is available with **various additional functions and frequencies**, including **GPS** and **Wi-Fi**. Please contact us for more information.
